**PART-1**  
**GENERAL INSTRUCTIONS**

1. Performance appraisal by way of confidential reporting has been, recognized as a tool for human resources development. Confidential rolls provide basic inputs for assessing the performance of an official and are indicative of his/her potential for further advancement in the career. The Reporting Authority should realize that the objective is to develop an official so that he/she realizes his/her true potential. Confidential reporting should not be mistaken to be a fault finding exercise.
2. Government have been pleased to introduce online filing of PAR by Group-A and Group-B Officers of the State from the Assessment Year 2014-15.
3. There will be three levels of assessment in the confidential reporting process, namely:-
  - (i) Reporting Authorities who are in immediate control and supervision of the officers reported upon;
  - (ii) Countersigning Authorities who supervise the work of Reporting Authorities and have occasion to watch/inspect the work of the officers in sufficient details; and
  - (iii) Accepting Authorities who, in most cases supervise the work of the Countersigning Authorities and have access to the work of officers concerned.
4. 5. The Reporting / Reviewing Authority will send the said PAR directly to the next authority, after recording his /her remarks as per time schedule through the online software.
6. The Accepting Authority will record his remark within the time schedule and send it to the G.A(SE) Department online in respect of Group-‘A’ and to the concerned Administrative Departments / Heads of the Departments in respect of Group-‘B’ Officers.

Thereafter she/ he will send the PAR to Reviewing Authority. The same process shall be followed *mutatis mutandis*, if there are more than one Reviewing Authority except that normally remarks should be made within 15 days of the receipt of the PAR.
8. If the appraiser fails to submit the PAR as per time schedule, the PAR will be automatically force-forwarded to the next / higher authority.
